“With what can we compare the kingdom of God, or what parable will we use for it? It is like a mustard seed, which, when sown upon the ground, is the smallest of all the seeds on earth; yet when it is sown it grows up and becomes the greatest of all shrubs, and puts forth large branches, so that the birds of the air can make nests in its shade.” Mark 4:30-32

Dear Brothers and Sisters in Christ,

On Father’s Day I preached on the parable of the mustard seed. The more I think about that simple story, the more I realize we are living in a mustard seed world here at Immanuel. During the children’s sermon that day, we had a mustard seed moment. Mackenzie Greenwood (who just graduated from Spring Garden Elementary School), the founder of the Little Free Pantry in Hampstead, presented a grant to Immanuel to help us start up a Little Free Pantry for Manchester. All it took was one child with a mustard seed dream and the determination to sow that seed, and now that seed is growing and spreading. We are the first of many other communities who will be starting up similar free pantries to feed the hungry right where we live, and all from that one tiny mustard seed.

Let me mention three more mustard seeds that are growing and bringing blessing to others.

(Continued on page 2)

(Continued from page 1)

More than 40 years ago, several members of Lutheran congregations in Carroll County (including Immanuel) had a mustard seed dream of establishing a non-profit organization to serve older adults of all faiths. They sowed that seed, and in 1980-81 the first cottages and health care center for Carroll Lutheran Village opened. That seed has grown phenomenally since then, most recently with the addition of a whole new retirement community, Lutheran Village at Miller's Grant. Now the two Villages have formed a parent organization, Lutheran Social Ministries of Maryland, that will help this mustard seed dream to grow even more in the future.

In May of 1996, while I was pastor of Mt. Joy and St. Paul's Harney, another mustard seed dream came into being: the creation of a Lutheran school for families in Carroll County. Four years later, the seed sprouted and grew into Carroll Lutheran School which opened in September 2000 and continued to grow until CLS moved into its own building in January 2007. Today CLS is one of the finest schools in the county, raising up students in a supportive Christian environment. Look elsewhere in this newsletter for word about a new scholarship program that will help CLS to keep on growing and serving in Jesus' name.

Last but not least is the mustard seed dream that has become Kids Feeding Kids, which will begin its second year of providing service learning hours and leadership training for disadvantaged youth in our community, and providing a welcoming meal for hungry children and their families, here at Immanuel. Again, look for more information elsewhere in this newsletter.

These are just a few of the mustard seeds that are growing and spreading and blessing others here at Immanuel, which itself began as a mustard seed dream back in 1760! What mustard seed dream has God put on your heart? Go ahead and sow that seed... and watch what happens!

Have a wonderful summer!

COMING IN JULY: LEAD BIBLE STUDY

Listening to God in Scripture and Prayer

EVERYONE IS INVITED!

SUNDAY, JULY 15, 10:15 am – 12:00pm

Join our LEAD Team as we listen to God speak to us through the story of the explosive, Holy Spirit empowered growth of the early Church as recorded in the Book of Acts. We will explore what life was like in the early Church (Acts 2:42-47), how the Spirit led Philip across racial and cultural barriers to bring the good news to an Ethiopian eunuch (Acts 8:26-39), and how the Spirit empowered Peter to reach beyond the rigid barrier between Jew and Gentile to bring the good news to a Roman army officer and his household (Acts 10:1-48). In light of these scriptures, we will prayerfully consider how the Holy Spirit may be moving us to cross man-made barriers to reach people in our neighborhood with the good news of Jesus today. Join us on this journey of discovery for our congregation!

PASTOR CHARLIE'S JULY BIBLE CHALLENGE: EPHESIANS 1-5

For our July Bible Challenge we will read slowly through the first five chapters of the letter to the Ephesians. This will provide us with a context for the readings from Ephesians at our weekend services July 15–Aug 26. We will read through the last chapter of Ephesians during the first week of August. The online Bible Study will continue with daily comments from Pastor Charlie on Facebook. Email him at pastorc@ielcmd.org to join this private group, or if you would like to receive copies via email of the comments he posts there for each day.

LEAD

Chris Crouch, Facilitator; John Gregg, Council Liaison
Pastor Charlie, Debbie Miller, Debbie Mace, Terri Rill

Thanks again to all who completed the LEAD congregational assessment back in April and May! Let me share briefly the overall results of the assessment.

We had 60 responses, which is a good number for the size of our congregation. More than half were from people age 65+, with only 2 responses each from those age 18-24 and 25-34, and no responses from our youth (age 12-17). The team will be reaching out to hear from these under-represented age groups.

The LEAD process identifies four basic ways in which congregations understand and carry out their mission. **Stalled** congregations are focused on themselves, with no interest or involvement in mission beyond their own members and building. **Out of Breath** congregations are trying to reach out beyond themselves, but have a hard time motivating their members and connecting with the community. **Becoming** congregations are reaching out in mission and connecting in meaningful ways with the community but lack an overall vision and strategy that is fully mission-driven and that engages most of their members. **Growing** congregations have a clear vision and strategy for mission with a set of values that are broadly held by church members and are part of the congregation's "DNA." They see themselves less as **doing for** others in the community and more as **partnering with** others in the community to do God's work together.

The results of our assessment show that Immanuel can best be identified right now as a **Becoming** congregation. We are out there serving and making a real difference in the community and need to develop a vision and strategy that will engage more of our members in this mission so that it becomes not just what we do, but who we are. Looking at the four descriptions above, does this ring true for you based on how you perceive our church?

Later this summer we will be exploring the results more in depth with small groups and individuals as we continue Step 4 of the LEAD process: Listening to God in the Congregation. In the meantime, our LEAD team will be engaged in Listening to God in Scripture & Prayer (Steps 2 & 3).

(Continued on page 7)

If you attended the Lenten midweek Bible study this year, you got a taste of what the team will be doing. Whether or not you attended, you are invited to join our team in a special **Listening Event** following Sunday worship on July 15, beginning promptly at 10:15 am and ending at 12 pm. This will be an extended version of our regular Sunday morning bible study group focusing on how the Holy Spirit empowered the first believers to reach out across all sorts of barriers with the good news of Jesus – and how the Holy Spirit can help us do the same today!

May God help us all to **Live Everyday As Disciples!**

GROW CLOSER TO GOD THIS SUMMER

A new spiritual resource from LEAD is available this summer: a series of 20 devotions around the theme “A Summer of Intentions.” Each daily devotion includes suggestions for spending the day “with all the curiosity and imagination that God gave me.” There is a Bible verse related to that day’s theme and suggestions on how to “share my joy” with someone. You can find it at <http://waytolead.org/intentions/>, where you can also sign up to have each day’s devotional emailed to you. We hope to have a print version available at church by Sunday, July 1.

MISSIONS

Joe Fleck, jpflecksr@gmail.com, 410-848-5919

Special Offering for the July monthly mission will be collected for
The Hampstead Fire Department.

On July 7th and 8th, representatives from the fire department will be at Immanuel. ***The Hampstead Volunteer Fire Company*** was organized in 1900 to provide emergency services to Hampstead and the surrounding communities of Carroll and Baltimore Counties. They currently operate out of a single station on Main Street, dispatched by the Carroll County 911 center. They have 2 Engines, 1 Truck, 1 Brush Unit, 2 Paramedic equipped ambulances, and 2 utility vehicles.

Part of their operations budget comes from an allocation of tax dollars from Carroll County. All capital purchases of equipment use funds that are raised from various activities like our summer carnival, public dinners, and bingo. Contributions to the Hampstead Volunteer Fire Company, a 501c3 organization, are tax-deductible. The Board of Managers, Officers, and the members of the fire company thank you for your generous contribution and support.

Mission Statement The Hampstead Volunteer Fire Engine & Hose Company No. 1 is dedicated to protecting and preserving the lives, property, and environment of the citizens and visitors of the communities to which we serve. We will achieve this by providing the highest levels of fire suppression, rescue services, and emergency medical care through continual training, public education, and emergency response.

They are always looking for members
who are dedicated to serving their community.

*We had a reception on May 20th to honor Ashton Eckardt and Sarah Day. They finished confirmation classes and are now members of Immanuel.

*On June 3rd we had our coffee hour.

*On June 8th the Fellowship Committee sold food at the Maurer and Miller auction. We sold hamburgers, hotdogs, sausage and egg breakfast sandwiches, and baked goods. Baked goods were made by the women of our congregation. Homemade pies, brownies, candy, cookies and fudge. Any leftover sweets were taken to Immanuel for the congregation to enjoy on Sunday after church. Everything donated was used and helped us make \$740 for Immanuel.

More important than the \$740 are the people who stepped up to make this event possible. This would not have been possible without our church family. In this day and age it is truly amazing that we had homemade pies, peanut butter candy, brownies and fudge donated. Thanks again for always being there to help.

SCOUTS

*Kids Feeding Kids—Again this summer, Immanuel will host this program in the church Social Hall. The start date is July 17 and the hours of operation will be Tuesday through Friday from 11 to 1 pm. IMPORTANT MESSAGE FROM CLS

SEND A STUDENT FROM YOUR CONGREGATION TO CLS AT GREATLY REDUCED TUITION!

CLS has exciting news to share with all of our conference churches. A new scholarship program channel has been created that will allow your church to send a student to CLS for a fraction of the cost of standard tuition. CLS knows just how important and integral your church is, not only to the original creation of the school, but to its success over the long term.

The program itself is simple. CLS is offering one Conference Church Scholarship to a student of your choosing. The program allows one student to attend CLS for a tuition cost of just \$2,000 per year, compared to the standard tuition of approximately \$7,000 per year. That's it! Your church simply needs to identify an interested student and refer that student to the school, having them note that your Church is referring them. CLS will take care of the rest.

The exceptional education provided by CLS, that is formed in faith, is unmatched in the area, and the goal of CLS is to bring that high quality education to as many students as possible.

The details of how the tuition cost is covered are up to your church. Here are some examples that are being used by other churches:

- † Offer this option to a family that is interested and they may pay the tuition directly. **This has no requirement of funding from your church.**
- † Churches are using creative "funding" options such as "sell stock to support Sally," whereby congregation members can contribute to the child's scholarship fund to offset the cost. Often this is done by taking the \$2,000 tuition and dividing it into "shares" of \$10 each. Then, the 200 shares are "sold" to the congregation members so that they can have a role in helping to bring this exceptional education to the child.
- † Churches are doing more traditional fundraisers such as car washes and bake sales to help support the child's tuition.
- † Churches are simply asking for donations to offset the tuition and allocating funds from other budget categories to pay the remaining tuition on the child's behalf.

There are many ways to achieve the funding goal, and if you would like help in crafting the programs to do just that, please reach out to our Development Director, Ms. Kristin Brooks, at development@clsedu.org or by calling the school to speak with her at 410-848-1050. **Just remember, there is absolutely no obligation of your church to fund this program. Your church can simply offer this to your congregational members and they may pay the tuition directly.**

We are so pleased to be able to announce this amazing program and there is still plenty of time to select a child and have them start the next school year at CLS.

We are striving for 100% participation from all conference churches and we hope that you will see the value of one of your young people being a part of the magic that happens at CLS each and every day.

STEPHEN MINISTRY

Leaders: Bob Nicoll, Connie Dattilio

Members: Evonne Brillhart, Christine Crouch, Bonnie Hull, Gretchen Jensen, Carol Nicoll, Audrey Shaffer

Congratulations to Gretchen Jensen who completed her 50 hours of Stephen Ministry Training. Gretchen was commissioned into service as a Stephen Minister at our 9:00am service on June 24, 2018.

As a Stephen Minister she is prepared to give care for people who are hurting from life challenges. She is ready and willing to listen, encourage and offer emotional and spiritual support. As a commissioned Stephen Minister Gretchen's training is just beginning. Our Stephen Ministers meet 2 hours each month for supervision, additional training and special presentations when arrangements can be made. We attend retreats and visit various care facilities during the year. Carroll Lutheran Village will be offering the basic 50-hour Steven Ministry course this fall and this opportunity is open to any one interested in becoming a Stephen Minister.

Our first campers have arrived! We are excited to welcome everyone! Staff training went smoothly and we are ready for a safe, exciting, faith filled summer session.

Our lessons will focus on the many ways God's grace changes everything: our hearts, our identity, our purpose, our community, and our perspective. We invite you to follow along through our social media sites as the summer unfolds.

Thank you for your prayers and support - we value each member of our community and know we could not do this work without you. At our Community Dinner last month, we had the opportunity to thank our volunteers and financial supporters for the commitment to this ministry. Even if you were not able to join us, please know that we are grateful!

There is still space in some of our camps, so if you haven't registered yet, please check out the website today!

Mar-Lu-Ridge Summer Camp is a safe, faith-centered outdoor experience for your camper, and a super fun way to connect with new friends and grow in faith and confidence. We offer residential camps for ages 6-17, Day Camp on-site for ages 6-10, and Mobile Mar Lu Day Camps for congregations. Visit our website to learn more!

GLUTEN-FREE COMMUNION

For those in the congregation, who are gluten intolerant, your weekly communion offers gluten-free wafers as your communion host along with regular pita bread. Please express your wishes to Pastor Charlie when you arrive at the communion rail. A communion steward will present a ciborium chalice of gluten-free wafers for you. Pre-filled grape juice cups are available in addition to poured wine.

ALTAR GUILD MEMBERSHIP DRIVE

Immanuel's Altar Guild is recruiting new faces to serve on the guild. Members are always needed to coordinate the 'behind-the-scenes' setup and cleanup of communion at our Sunday Morning Services. Twenty minutes of your volunteer time before and after a service is all that is required and NO experience is needed. Individuals or husband-wife teams are encouraged to join our guild. See Susan Burnette or any member of Immanuel's current Altar Guild with your interest or questions. Our annual Altar Guild meeting is scheduled for Sunday, November 11th.

LOOKING AHEAD...

During the weekend services of **August 25th and 26th**, all children are invited to wear their school backpacks (with supplies) to church for our **Annual Blessing of the Backpacks**.

During the Young People's Message, each backpack will be blessed along with a prayer that each student and teacher will safely begin another successful school year. We encourage each family to pray for God's continued help and guidance. This special invitation is extended to all members of the congregation who are continuing or beginning their education!

From **Mark10:13-16**,

'... and they were bringing children to him...Jesus said, "*Let the children come to me... for such belongs the Kingdom of God*" ... and Jesus took them in His arms and blessed them, laying His hands upon their heads.'

HOLY CROSS SUNDAY

The Festival of the Holy Cross will be celebrated on **Sunday, Sept 16th** at the 9am service. History tells us that Helena, the mother of Emperor Constantine, made a pilgrimage to Israel to look for Christian holy sites. She found what she believed were the sites of the Crucifixion and burial of Jesus, sites that modern archaeologists believe to be correct. Here, Constantine built two churches. The celebration of the Holy Cross originated with the dedication of the Church of the Resurrection in 335AD. Many centuries later, this festival still provides the church with an opportunity to '*Lift High the Cross*' with a spirit of celebration for all future generations. Join your church family and wear RED on Sunday, September 16th at our 9am service.

HARVEST HOME 2018

Our **Annual Harvest Home Celebration** will be held during the weekend services of **September 22-23**. The sanctuary will be decorated for fall and the altar will offer our bountiful harvest. During the Harvest Home portion of the service, please remember to participate in the '*Fill-Our-Baskets*' campaign for *Tree of Friends* and *NESAP*. Your donations of non-expired canned and boxed items can fill our baskets to the brim! Monetary donations are always accepted. Let's make this another wonderful harvest opportunity to thank God for our many blessings in order to help those less fortunate in our immediate community.
